

SUMMER READING CHALLENGE

Week 2: History

Novice Challenges

It's a Classic!

From *Pride and Prejudice* to *Things Fall Apart*, classic novels are those that stick with us. What is your favourite classic novel, and what has allowed it to stand the test of time?

Intermediate Challenges

Online Book Club

The titles in our Online Book Club may not be classics (... yet!), but they're guaranteed to provide hours of summer reading enjoyment. For this challenge, read about how you can earn additional SRC points in the Online Book Club [here](#), then explore the possible titles [here](#), and tell us which book you'd be interested in reading as part of a book club and why.

Advanced Challenges

What Happened Here?

KFPL has a wealth of resources available for learning more about Kingston's local history. Tell us about a local building or historical event that you'd be curious to know more about.

For Adults

Submit your completed challenges to the Circulation Desk at any KFPL branch.
