

Summer Reading Challenge for Adults - Week 8

Submit your completed challenges to the Circulation Desk at any Kingston Frontenac Public Library branch.

Novice Challenges

Bookstagram

Now that the Summer Reading Challenge is ending, we challenge you to take a picture of everything you've read so far this summer (or at least as much as you can!). Think of it as documentation of all your effort.

Intermediate Challenges

May We Suggest?

It's always a thrill when a book has a great ending. For this challenge, tell us about your favourite book with a surprising, inspiring or otherwise fantastic ending, and we will compile a list for "May We Suggest."

Advanced Challenges

Summer's End

With summer wrapping up in just a few more days, tell us about something fun you did this summer so that we can all give it a try next year. This could be a visit to a free festival or a local park. It could be down time in your back yard or something else altogether.
