

# SUMMER READING CHALLENGE

## Week 5: Indigenous Explorations

### Novice Challenges

#### Summer Reading Update

This is your bi-weekly opportunity to dish on the great things you've been reading, so tell us what's new!

### Intermediate Challenges

#### Greetings!

There is renewed effort to preserve Indigenous languages throughout Canada. For this challenge, provide us with a greeting from any Indigenous language.

### Advanced Challenges

#### Indigenous Literature

The library's OverDrive service provides a selection of Indigenous literature. For this challenge, explore this service and tell us the title and author of an ebook or audio-book that peaks your interest. Does the author identify as being a part of a specific Indigenous community or territory?

# For Teens

Submit your completed challenges to the Circulation Desk at any KFPL branch.
