

Summer Reading Challenge for Adults - Week 8: Around the World

Submit your completed challenges to the Circulation Desk at any Kingston Frontenac Public Library branch.

Novice Challenges

Dream Locale

We all have dream locales that we would like to visit one day. For this challenge, briefly tell us about somewhere you are dying to explore – or – post a picture of it below.

World Music

Kingston Frontenac Public Library has an extensive collection of world music on CD and Hoopla. For this challenge, listen to some music from another culture and tell us what you like about it.

Mango

Mango offers language learning classes in over 60 languages, and it's free with your library card! Go to Mango [here](#). For this challenge, take a mango class and learn to say "I love the Summer Reading Challenge" in another language. Post your expression here!

Intermediate Challenges

Road Trip!

From Sherman Alexie's "Reservation Blues" to Cheryl Strayed's "Wild," the road trip has played a perennial role in modern fiction. Have you been on a great road trip, or read about one in another novel? For this challenge, tell us a little about that trip.

Work in Translation

Thank goodness for translators because some of our favourite novels were originally written in languages we can't read! For this challenge, read a work in translation or tell us about a translated work you've already read.

Advanced Challenges

Local Events

From the Tyendinaga Territory Annual Pow Wow, to the Wolfe Island Music Festival, and the Kingston Sheep Dog Trials, there is no shortage of awesome events happening in the area this weekend. For this challenge, tell us which event you would want to attend and why.
